

## ASTROCHALLENGE 2025 HALL OF FAME

### **Note to Readers**

The Hall of Fame lists the names, teams, and schools of participants who attained the top 50th percentile in each preliminary round of AstroChallenge 2025. This serves to recognize the efforts and achievements of the competition's top performers.

Any issues or mistakes in the name, team number or school of any participants may be brought up to the AstroChallenge Organising Committee through email for rectification.

## Individual Round Scores by Team

The overall score achieved by the team for the Individual Round is determined from the mean of the scores from the four best performing participants of the team (for five member teams), or the mean of the scores from all members of the team (for teams with less than five members).

Participants who are absent with a valid reason are excluded from the tabulation.

For example, a 4-member team with 1 member absent due to valid reason will have the score taken to be the average of 3 members instead of 4.
